

INDUSTRY SPONSOR FORM

Small Producer Forum – Establishing RPSEA-Funded Initiatives

Hosted by the Kansas Geological Survey

Wednesday evening and Thursday, **April 29-30, 2009**
Courtyard by Marriott Wichita at Old Town
820 East 2nd St. North
Wichita Kansas 67202

Industry sponsors are being sought for this meeting with small producers to defray all costs of the meeting room, lunch, and snacks and travel expenses of our four out-of-state industry panelists. ***Each sponsor will be recognized throughout the meeting and will be allocated space for a table or small display.*** We are planning on attendance of around 40 people. Total cost of meeting is estimated to be \$4,500. Sponsorship will be determined on a first come, first serve basis until budget is met. Your generosity during these difficult economic times is most appreciated. Also, please don't forget to register (its FREE) at <http://www.kgs.ku.edu/Conferences/RPSEA/index.html> and contact us if you intend to set up a table or small display.

Please complete this form below and return this page with your check made out to the ***KU Center for Research***. This information can be mailed to Saibal Bhattacharya or Lynn Watney at the Kansas Geological Survey at address listed at the bottom of page. Thanks for your support!
