Map legend:
- Solid line of equal thickness in feet
- Contour interval = 50 feet
- Dashed line

Map scale:
- 1 inch equals approximately 8 miles
- Lambert conformal projection with standard parallels at 34 and 44 degrees north latitude

Control points:
- Salt dissolution/fault zone
- Eastern extent of the formation (dashed when inferred)

Map dimensions:
- 2592.0x1728.0
