If Yes, true vertical depth:

If Bottom Hole Location:

KCC Dec #

Affidavit

The undersigned hereby affirms that the drilling, completion and eventual plugging in this well will comply with K.S.A. 55 et seq.

1. Notify the appropriate district office prior to spudding of well.
2. A copy of the approved notice of intent to drill shall be posted in each drilling rig.
3. The minimum amount of surface pipes as specified below shall be set by circulating cement to the top; in all cases such surface pipe shall be set through all uncontaminated materials plus a minimum of 50 feet into the underlying formation.
4. If the well is of any kind, an agreement between the operator and the district office on plug length and placement is necessary prior to plugging.
5. The appropriate district office will notify before well is either plugged or production casing is cemented in.
6. If an ALTERNATE II COMPLETION, production pipe shall be cemented from the bottom of any usable water to surface within 120 days of start date.

I hereby certify that the statements made herein are true and to the best of my knowledge correct.

Date: 10/05/04
Signature of Operator or Agent:

Remember to:
- File Oil Prof Application (Form COP-1) with KCC in Drill
- File Completion/Re Completion (ACO-1) within 30 days of spud date
- File correct affidavit Form in triplicate to 4400 Promise street
- Notify appropriate district office 48 hours prior to workover or reentry
- Submit plugging report (CP-4) after plugging is completed
- Obtain written approval before drilling or rewelling salt water
- If this permit has expired (See authorized expiration date) please check the box below and write in the address below.
