Affidavit

The undersigned hereby affirms that the drilling, completion and eventual plugging of the well will comply with K.S.A. 55-57, seq.

It is agreed that the following minimum requirements will be met:

1. Notify the appropriate district office prior to spudding of well.

2. A copy of the approved Notice of Intent to Drill shall be posted on each on-going rig; and

3. The minimum amount of surface pipe as specified below shall be set by cementing cement to the top, in all cases surface pipe shall be 90 degrees.

4. If the well is dry hole, an agreement between the operator and the district office on plug length and placement is necessary prior to plugging;

5. The appropriate district office will be notified before well is allowed charged or production casing is cemented in;

6. If an Alternate II Completion, production pipe shall be cemented from below any usable water to surface within 120 days of spud date.

7. A signature to Appendix "B" - Eastern Kansas surface unity order #130,691-C, when applied to KCC District 3 areas, alternate casing cement must be completed within 30 days of the spud date as well as the well shall be plugged.

In all cases, NOTIFY district office prior to any cementing.

I hereby certify that the statements made herein are true and to the best of my knowledge and belief.
