Important procedures to follow:
1. Notify District office before setting surface casing.
2. Set surface casing by cementing to the top.
3. File completion forms ACO-1 with K.C.C. within 120 days of well spud date, following instructions on ACO-1, side 1, and including copies of wireline logs.
4. Notify District office 48 hours prior to old well workover or reentry.
5. Submit plugging report (CP-4) to K.C.C. after plugging is completed.
6. If an alternative 2 completion, cement in the production pipe from below any sealable water to surface within 120 day of spud date.
