 AFFIDAVIT

The undersigned hereby affirms that the drilling, completion, and initial plugging of this well will comply with K-2, 280 et seq. and KCC:

1. Notify the appropriate district office prior to spudding of well;

2. A copy of the approved notice of intent to drill shall be posted on each drilling rig;

3. The minimum amount of surface pipe as specified below shall be set by circulating cement; and in the hop, in all cases surface pipe shall be set beyond all unconsolidated material; plus a minimum of 20 feet into the underlying formations;

4. If the well is to have an agreement between the operator and the district office on plug length and placement necessary prior to plugging;

5. The appropriate district office was not notified before well is either plugged or completed as required in;

6. If an ALTERNATIVE;Completion, production pipe shall be cemented from below any usable water to surface within 120 days of spudding.

Or pursuant to Appendix 19 - Eastern Kansas surface casing order 1023961 - which applies to the KCC District 2 area, plus the 150 feet cementing must be completed within 30 days after the spudd date or the well shall be plugged. In all cases, NOTIFY district office prior to any cementing.

I hereby certify that the statements made herein are true and to the best of my knowledge and belief.
