AFFIDAVIT

The undersigned hereby affirms that this proposed drilling and eventual plugging of this well will comply with K.S.A. Ks. a. sec.

It is agreed that the following minimum requirements will be met:
1. Notify the appropriate district office prior to spudding of well;
2. A copy of the appropriate notice of intent to drill shall be posted on each drilling rig;
3. The minimum amount of surface pipe as specified below shall be set on the casing to the top of the unconsolidated materials plus a minimum of 20 feet into the underlying formation;
4. If the well is dry hole, an agreement between the operator and the district office on plug length and placement is necessary prior to plugging;
5. The appropriate district office will be notified before well is either plugged or production casing is cemented in;
6. If an ALTERNATE II COMPLETION, production pipe shall be cemented from below any usable water to surface within 120 days of spud date.

Or pursuant to Appendix "B" - Eastern Kansas surface casing order #135891-C, which applies to the KCC District 3 area, alternate II casing must be completed within 30 days of the spud date or the well shall be plugged. In all cases, METRO district office prior to any cementing. I hereby certify that the statements made herein are true to the best of my knowledge and belief.
