- File Drill Pit Application (form CDP-2) with Intent to Drill;
- File Completion Form (AC-1) within 120 days of spud date;
- File aces and allocation report at the end of production under K.S.A. 55-7c;
- Notify appropriate district office 48 hours prior to workover or re-work
- Submit plugging report (CP-1) after plugging is completed;
- Obtain written approval before disposing or injecting salt water
- If this permit has expired (See authorized expiration time) please check the box below and return to the address below

Mail to: KCC - Conservation Division, 130 S. Market - Room 2078, Wichita, Kansas 67202
IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW

Plat of acreage attributable to a well in a prorated or spaced field

If the intended well is in a prorated or spaced field, please fully complete this side of the form. If the intended well is in a prorated or spaced field complete the plat below showing that the well will be properly located in relationship to other wells producing from the common source of supply.

Please show all the wells and within 1 mile of the boundaries of the proposed acreage attribution unit for gas wells and within 2/3 mile of the boundaries of the proposed acreage attribution unit for oil wells.

PLAT

(Sh ow location of the well and shade attributable acreage for prorated or spaced wells.
(Show footage to the nearest lease or unit boundary line.)

NOTE: in all cases locate the spot of the proposed drilling location.

In plotting the proposed location of the well, you must show:
1. The manner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
2. The distance of the proposed drilling location from the section's lines: north and east / west.
3. The distance to the nearest lease or unit boundary line.
4. If prorogued location is located within a prorated or spaced field a certificate of acreage attribution plat must be attached. [CO.7 for oil wells: CO.6 for gas wells].
