**Horizontal Hole Location**: KCC OVT #

**Expiration date**: 6 months from effective date: 3-4-2006

**Expiration date 6 months from approval date**: 2-28-2004

**Affidavit**

The undersigned hereby affirms that the drilling, completion and eventual plugging of this well will comply with K.A. 55 et seq.

It is agreed that the following minimum requirements will be met:

1. Notify the appropriate district office prior to spudding of well.
2. A copy of the approved notice of intent to drill shall be posted in each district office.
3. The minimum amount of surface plot as specified below shall be set by crossing cement to the top; in all cases surface pipe shall be set through unconsolidated materials with a minimum of 30 feet into the underlying formation.
4. If lag well is dry hole, an agreement between the applicant and the drilling office on plug length and placement is necessary prior to plugging.
5. The appropriate district office will be notified before well is either plugged or production casing is cemented in.
6. In an alternate well completion, production plot shall be cemented from bottom up below water surface within 120 days of spud date.

**Form must be typed**

**B blanks must be filled**

**Mail to**: KCC - Conservation Division, 115 S. Market - Room 207B, Wichita, Kansas 67202
