NOTICE OF INTENT TO DRILL

Must be approved by KCC file (2) days prior to commencing work

**AFFIDAVIT**

The undersigned hereby states that the drilling, completion and eventual plugging of this well will comply with K.S.A. 55 et seq.

It is agreed that the following minimum requirements will be met:

1. Notify the appropriate district office prior to spudding of well.
2. A copy of the approved plans of intent to drill shall be posted on each drilling rig.
3. The minimum amount of surface pipe as specified below shall be set by incorporating cement to the top in all cases; surface pipe shall be set through all unconsolidated materials plus a minimum of 20 feet into the underlying formation.
4. If the well is dry hole, an agreement between the operator and the district office on plug length and placement is necessary prior to plugging.
5. The appropriate district office will be notified before well is either plugged or permanent casing is cemented in.
6. If an alternative to COMPLETION, production pipe shall be cemented from below any usable water to surface within 120 days of spudding date.

Or pursuant to Appendix B to Eastern Kansas surface casing order #133,891-C, which applies to the KCC District 3 area, alternate cementing must be completed within 30 days of the third date or the well shall be plugged in all areas. NOTIFY district office prior to any reworking.

I hereby certify that the statements made herein are true and to the best of my knowledge and belief.
