NOTICE OF INTENT TO DRILL

For KCC USE ONLY

For KCC Use Only

Affidavit

The undersigned hereby affirms that the drilling, completion and potential plugging of this well will comply with K.S.A. 55-5 et seq.

The following minimum requirements will be met:
1. Notify the appropriate district office prior to spudding of well.
2. A copy of the approved notice of intent to drill shall be posted on each drilling rig.
3. The minimum amount of surface pipe as specified below shall be set by cutting cement to the top; in all cases surface pipe shall be tied through all unconsolidated materials plus a minimum of 20 feet into the underlying formation.
4. If the well is a dry hole, an agreement between the operator and the district office on plug location and plugging is necessary prior to plugging.
5. The appropriate district office will be notified before well is either plugged or production is commenced in.
6. If an abandonment is completed, the production pipe shall be cemented from below any usable water to surface within 120 days of spud date.
