**NOTICE OF INTENT TO DRILL**

**Form C-1**

This form must be signed and submitted to the appropriate district office prior to commencing well construction. This form must be filled out completely and signed by the applicant. The form shall be retained by the applicant for at least 6 months after completion of construction and shall be submitted to the appropriate district office prior to any casing or cementing. Failure to file this form prior to commencing any casing or cementing shall be cause for a cease order. The drilling contractor(s) may be cited for criminal contempt of court and/or civil contempt of court.

IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW
Plat of acreage attributable to a well in a prorated or spaced field

If the intended well is in a prorated or spaced field, please fill complete this side of the form. If the intended well is in a prorated or spaced field, complete the plat before showing that the well will be properly located in relationship to other wells producing from the common source of supply. Please show all the wells and within 1 mile of the boundaries of the proposed acreage attribution unit for gas wells and within 1/2 mile of the boundaries of the proposed acreage attribution unit for oil wells.

If Section is Irregular, locate well from nearest corner boundary. Section corner used: ______ NE ______ NW ______ SE ______ SW

PLAT
(Show location of the well and the acreage attributable to the well.)
(Show footage to the nearest lease or unit boundary line.)

NOTE: In all cases locate the spot of the proposed drilling location.

In plotting the proposed location of the well, you must show:

1. The manner in which you are using the quartered plot by identifying section number, i.e., 1 section, 1 section with 8 surrounding sections, 4 sections, etc.
2. The distance of the proposed drilling location from the section: south / north and east / west.
3. The distance to the nearest lease or unit boundary line.
4. If proposed location is located within a prorated or spaced field, a certificate of acreage attribution plat must be attached: (CO-7 for oil wells; CO-8 for gas wells).
