Affidavit

The undersigned hereby affirms that the drilling, completion and eventual plugging of this well will comply with K.S.A. 55 et seq.

1. Notify the appropriate district office prior to spudding of well;
2. A copy of the approved notice or intent to drill shall be posted on each drilling rig;
3. The minimum amount of surface pipe as specified below shall be set by concrete cement to the top; in all cases surface pipe shall be set through all unevenly sized materials plus a minimum of 30 feet into the underlying formation;
4. If the well is on a lake, an agreement between the operator and the district office on excavation and placement is necessary prior to drilling;
5. The approved district office will be notified before well is either plugged or production casing is cemented in;
6. If an ALTERNATE II COMPLETION, production pipe shall be cemented from below any usable water to surface within 20 days of spud date. See Appendix B - Eastern Kansas surface casing order 133,891-C, which applies to the KCC District 3 area, alternate is cementing must be completed within 30 days of the spud date or the well shall be plugged. In all cases, NOTIFY district office prior to any cementing.

I hereby certify that the statements made herein are true and to the best of my knowledge and belief.
