Affidavit

The undersigned hereby states that the drilling, completion and eventual plugging of this well will comply with K.S.A. 55-50a.

It is agreed that the following minimum requirements will be met:

1. Notify the appropriate district office prior to spudding of well.
2. A copy of the approved notice of lease to drill shall be posted on each drilling rig.
3. The minimum amount of surface pipe as specified below shall be set by circulating cement to the top; in all cases surface pipe shall be set through all unconsolidated materials plus a minimum of 20 feet into the underlying formation.
4. If the well is dry hole, an agreement between the operator and the district office as to location and placement is unnecessary prior to plugging.
5. The appropriate district office shall be notified before well is either plugged or production casing is cemented in.
6. If an ALTERNATE I COMPLETION, production pipe shall be cemented from below any viable water to surface within 120 days of spud date.

Or pursuant to Appendix "B", Eastern Kansas surface casing order 133,691-C, which applies to the KCC District 3 area, alternate II cementing must be completed within 30 days of the spud date or the well shall be plugged in. In all cases, NOTIFY quitylal office prior to any cementing.

I hereby certify that the statements made herein are true and to the best of my knowledge correct.
