Kansas

RULE 82-2-321. Bonding Requirement. The Commission may, at any time, on its own motion or upon complaint received from any person interested in the property to be drilled or any adjacent property, require from the owner of the lease, or the person, firm, corporation or association drilling the well, a good and sufficient bond running to the State of Kansas conditioned that said parties and their drilling operations shall comply with all rules and regulations of the Commission. Said bond shall remain in force and effect until released by the Commission.
