Conductor pipe required

APX 15

Minimum surface pipe required

X

This authorization expires

(The authorization was a drilling permit granted within a month of approval date.)

Spud date:

Mail to: KCC - Conservation Division, 120 S. Main - Room 2070, Wichita, Kansas 67202
IN ALL CASES PLOT THE INTENDED WELL ON THE PLAT BELOW
Plot or acreage attributable to a well in a predrilled or spaced field.

If the intended well is in a predrilled or spaced field, complete this side of the form. If the intended well is in a predrilled or spaced field complete the plat below allowing that the well will be properly located in relationship to other wells producing from the common source of supply. Please show all the wells and within 1 mile of the boundaries of the proposed acreage attributable unit for gas wells and within 1/2 mile of the boundaries of the proposed acreage attributable unit for oil wells.

AP No. 15
Operator: Royal Offshore, Inc.
Lease No.: Brimmer no "A"
Well Number: 7
Trapp: 70
Number of Acres attributable to well: 10.7
OGT: OTR / OTRA of acreage: S 20-15 32-13

PLAT
(Show location of the well andacreage attributable acreage for predrilled or spaced wells.)
(Show location to the nearest lease or unit boundary line.)

NOTE: In all cases locate the sip of the proposed drilling location.

In plotting the proposed location of the well, you must show:
1. The manner in which you are using the displaced plot by identifying section lines, i.e., 1 section, 1 acreage, etc.
2. The distance at the proposed drilling location from the section's south / north and east / west.
3. The distance to the nearest lease or unit boundary line.
4. If proposed location is located within a predrilled or spaced field a certificate of acreage attributable plot must be attached. (CD-7 for oil wells)
5. 70" for gas wells.
