RE: City of Hill City, KS/Kansas Public Water Supply Loan Fund

Dear Sirs:

City of Hill City is applying for Kansas Public Water Supply Loan Funds through the Kansas Department of Health and Environment, Bureau of Water for water line replacement in Hill City, Kansas. The project involves replacing aging mains, fire hydrants and deadend on watermain South of Highway 24, Hill City, Kansas, in an area of approximately 41 blocks.

Our office is conducting an environmental assessment of the above referenced project. The loan will be used to assist in the financing of replacing the aging mains, fire hydrants and deadend in approximately 41 blocks South of Highway 24, Hill City, Kansas. I have enclosed a Hill City map indicating the area where the water mains will be replaced. We request that your agency review the project and advise our office regarding the environmental impact of the project. Enclosed you will find an "Environmental Assessment Review" form for your convenience in issuing your response concerning the impact categories noted.

Please return the completed review form back to my office before August 25, 2005, as indicated on the "Environmental Assessment Review" form. Your prompt consideration of this review will be greatly appreciated.

Thank you for your assistance. Should you have any questions or need additional information, please contact me at your earliest convenience.

Sincerely,

Corina Cox
Economic Development Coordinator
