

The following form may be used by the Review Agency/Commission for comments in response to the request for clearance from the proposed Public Water Supply Loan Fund Project.

☐ Army Corps of Engineers
☐ Kansas Biological Survey
☐ State Conservation Commission
☐ Kansas Corporation Commission
☒ Division of Water Resources/Kansas Department of Agriculture
☐ Kansas Geological Survey
☐ Kansas State Historical Society, State Historic Preservation Office
☐ Kansas Water Office
☐ Kansas Department of Wildlife & Parks
☐ US Dept of Agriculture - Natural Resources Conservation Service
☐ Kansas Department of Health and Environment
☐ US Dept of the Interior - Fish and Wildlife Service

Agency Review Comments: (to be completed by reviewing agency and returned to applicant contact person at name and address shown below)

Comments: The long-term benefits of the improvements to the public water supply system should offset any short-term adverse environmental impacts.

Recommended Action: (to be completed by the reviewing agency and returned to applicant contact person at name and address shown below.)

☒ Clearance of project should be granted
☐ Clearance of project should not be granted
☐ Clearance of project should be delayed until the issues or questions have been clarified.
☐ Clearance of project should not be delayed, but the applicant (in the application) should address or clarify the questions or concerns indicated above.)

Re: Rural Water District No. 3 Nemaha Co.
Kansas Public Water Supply Loan Fund
Project: 2006 Water System Improvements

To Whom It May Concern:

Rural Water District No. 3, Nemaha County, Kansas is preparing an application to the Kansas Department of Health and Environment for a loan, not to exceed \$999,375.00, from the Kansas Water Supply Loan Fund for the referenced project. This project includes installing approximately 40,000 feet of PVC pipeline, establishes an interconnection with neighboring water system(s), construction water storage facilities, Pumping Station improvements, and upgrade and expansion of the telemetry control system for Rural Water District No. 3, Nemaha County, Kansas.

Please refer to the attached maps for construction locations. The exact pipeline construction route has not been established, but is expected to be within 150 feet of the highlighted (pink) areas shown on the enclosed maps. Pipelines that cross major streams (those indicated on the attached map) will be installed by directional bore. This should minimize any environmental impact.

We would appreciate your review of the project description and location, and any comments you may have, within 30 days. A project review form is enclosed for your use.

Please call or contact Paul J. Strathman at 785-336-3522 if you have any questions.

Sincerely,

Paul J. Strathman
Manager
Rural Water District No. 3
Nemaha County, Kansas
