Ms. Susan Galemore
Planning and Development Consultant
Southeast Kansas Regional Planning Commission
P.O. Box 664
Chanute, KS 66720-0664

Dear Ms. Galemore:

I received your inquiry to the Kansas Geological Survey seeking input on "Environmental Assessment Comments" for the construction of a new fire sub-station for the City of Fort Scott, Kansas. Location of the proposed project is in the east part of Fort Scott, with an address of 1605 East 1st Street. The project involves the construction of a 9,360 square-foot pre-engineered steel building having six bays, for use as a fire sub-station.

It is my understanding that this review is necessary for this project to be considered for a Kansas Department of Commerce Small Cities Community Development Block Grant to assist with the cost of the fire sub-station construction. Based on the information provided to the Kansas Geological Survey, I do not recognize any potential problems with this proposal. Therefore, the Kansas Geological Survey provides the necessary clearance from our agency for your project and I have signed the form requesting environmental assessment comments.

Sincerely,

Lawrence L. Brady
Senior Scientist

Enc.

Request for Environmental Assessment Comments

REPLY REQUESTED BY: 3-1-06

TO: Larry Brady Kansas Geological Survey University of Kansas 1930 Constant Avenue, Campus West Lawrence, KS 66047 (Please indicate any change in address or personnel)	GRANT NUMBER AND PROGRAM: Kansas Department of Commerce Small Cities Community Development Block Grant Program
