Ms. Linda Weldon
Southeast Kansas Regional Planning Commission
P.O. Box 664
Chanute, KS 66720-0664

Dear Ms. Weldon:

I have reviewed your inquiry to the Kansas Geological Survey seeking input on "Environmental Assessment Comments" for a project involving SeKan Printing, Inc. requesting funds from the City of Fort Scott Revolving Fund for purchase of a large paper cutter costing \$25,000. I do not recognize specific problems with the loan request that concerns geological or environmental problems that would be a major concern to the Kansas Geological Survey.

Since you are dealing with a small business seeking a loan for purchase of equipment, I do not anticipate environmental problems with this request by the business requesting the loan. This type of review should be the responsibility of the City of Fort Scott, Kansas, and the state agency that made the original loan to Fort Scott, that I assume was the Kansas Department of Commerce. Therefore, the Kansas Geological Survey provides the necessary clearance from our agency for your project and I have signed the form requesting environment assessment comments.

Sincerely,

Lawrence L. Brady
Senior Scientist

Enc.

Request for Environmental Assessment Comments
