

Proposed Project for Application to the Kansas Department of Commerce for Funding

Applicant: City of Eureka
Emergency Sanitary Sewer Repair

Contact Person: Bruce Boettcher, P.E.
Address: BG Consultants, Inc.
2508 W. 15th Avenue
Emporia, KS 66801

Sent to the Kansas Geological Survey for environmental review.

Agency Review Comments:

The long-term benefits of the repair of the collapsed sanitary sewer main, which should decrease the amount of untreated sewage escaping to the subsurface, should offset any short-term adverse environmental impacts during construction.

Recommended Action:

- ☒ Clearance of project should be granted
☐ Clearance of project should not be granted
☐ Clearance of project should be delayed until the issues or questions have been clarified
☐ Clearance of project should not be delayed, but the applicant (in the application) should address or clarify the questions or concerns indicated above

The above discussion represents our best assessment based on the information that the Kansas Geological Survey has about this locality and/or proposed project at the time of this writing. Other geologic conditions, not discussed herein, or for which the Kansas Geological Survey has no knowledge, may affect the viability or safe operation of this facility or property. The information provided in this letter is from regional or county-wide studies and should not be used as a substitute for detailed site characterization by a licensed geologist or engineer. It is the responsibility of the applicant to provide any required site characterizations.

RE: Environmental Review – Eureka, KS – Emergency Sanitary Sewer Repair

Dear Sir or Madam,

The City of Eureka, Kansas will be receiving funding from the Kansas Department of Commerce to repair a collapsed sanitary sewer main.

The improvements are located within the City limits of Eureka, Ks, more specifically located in Section 2, Township 26S, Range 10E, Greenwood County, Kansas. The repair will be approximately 480 linear feet of 8" Pipe along Myrtle Street from the intersection of Highway 54 (River Street) North to the intersection at 1st Street. Enclosed is a map of the project location.

Please submit your response to BG Consultants, 2508 W. 15th Avenue, Emporia, KS 66801.

If you have questions please call me at 620-343-7842.

Sincerely,

Bruce Boettcher, P.E.
Office Manager
