Re: Russell County, Kansas Micro Loan for C Dale Designs

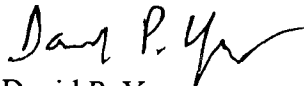

Dear Ms. Wallace,

The Kansas Geological Survey (KGS) has received your April 1, 2009 letter requesting us to review the above referenced project. The project involves repairing and remodeling the interior of the main floor of the building (C Dale Designs), removing old carpet, redoing the flooring, removal of plaster and wall repair, different lighting fixtures and new signage. No funds will be use for construction of a building.

A review of regional geologic information and project information provided by you indicates that there are no unduly adverse geologic conditions that should affect this project. Environmental factors that could affect this project will likely be more site-specific in nature or dependent on the structure (e.g., asbestos, lead paint, USTs, etc.). However for the purposes of the grant application, clearance of the project should be granted. A completed agency review form is enclosed.

This letter is an assessment based on information about the regional geologic conditions available via the KGS and cannot be used in substitute of a detailed site characterization. Other geologic conditions, not discussed herein, or for which the KGS has no knowledge, may affect the viability of the project. It is the responsibility of the applicant to provide any necessary characterization, geotechnical or environmental testing, or design by a licensed professional geologist or engineer to complete the project.

Sincerely,

David P. Young
Hydrologist

Encl

RE: Russell County, Kansas Micro Loan

To Whom It May Concern;

Russell County, Kansas received a Community Development Block Grant in 2001 for the establishment of a Micro Loan Fund to assist small businesses with their financial needs. As part of the micro loan process an environmental review by various state agencies is required. Therefore, we request your agency to review the following project, then complete and return the enclosed "Environmental Assessment Review Form".

C Dale Designs is located at 704 N Main, Russell, Russell County Kansas. The business is owned by Cody & Shawn Dale, Russell, Kansas and will specialize in professional interior design service catering to the home or office. The CDBG funds will be used for repairing and remodeling the interior of the main floor of the building, removing old carpet, redoing the flooring, removal of plaster and wall repair, different lighting fixtures and new signage. No funds will be used for construction of a building.

Thank you for your time and assistance.

Sincerely,

Cindy Wallace; Director
Russell County Economic Development
