RE: Project to remodel the Mahuron Park Community Center and parking area, Liberal, Kansas

Dear Ms. Saunders,

The Kansas Geological Survey (KGS) has received your letter dated July 6, 2009, requesting environmental review comments for the above referenced project.

A review of regional geologic information and project information provided with the request indicates that there are no unduly adverse geologic conditions that should affect this project. Site-specific conditions may need to be considered prior to commencement of the project. A completed request-for-comments form is enclosed.

This assessment was based on regional geologic and project information available to the KGS at the time of the review and should not be used for a detailed site characterization. Other geologic conditions, not discussed herein, or for which the KGS has no knowledge, may affect the feasibility of this project. It is the responsibility of the applicant to provide any necessary site characterizations, geotechnical or environmental testing, or design by a licensed professional geologist or engineer to complete the project.

If you have questions please do not hesitate to contact me at my office (785 864-2068).

Sincerely yours,

RE: City of Liberal, Seward County, Kansas
Mahuron Park Community Center

Dear Mr. Harrison:

The City of Liberal, Kansas has applied to the Kansas Department of Commerce Community Development Block Program for Recovery Act Grant Funds in the amount of \$150,000. The City will add an additional \$150,000 in local dollars as match. The estimated project cost is \$300,000.

The proposed project will consist of the construction of 50' x 100' pre-engineered building with a 10' eave height to accommodate ADA accessible restrooms, a kitchen area and a large gathering room in addition to mechanical equipment and a parking area.

The proposed project sites lie in Section 32, T34S, R33W, Seward County, Kansas and is within the City Limits of Liberal. The park is located on the east side of the community with Calvert Street on the west side, 8th Street on the North, a grassed driving surface on the east and 7th Street on the South. The approximate latitude and longitude of the proposed building in the Park are 37°02'45.52" N and 100°54'46.65" W. Enclosed for your use and information are copies of the City Map with the location depicted as well as a map of Mahuron Park..

The City will not need to acquire any land or rights-of-way for the proposed project. No persons will need to be relocated due to the construction of this project. If there are any special permits or conditions that apply, please let us know.

We would appreciate receiving your comments by August 6, 2009 regarding this project. If you wish to respond to this letter via e-mail, my address is rsaunders@ransonfinancial.com. A Project Review Form has been enclosed for your convenience.
