The University of Kansas
Lawrence, KS 66047-3726

Dear Dr. Gerhard:

I am in receipt of your letter dated February 10, 1997, advising that your agency will assist KDHE in the matter of Western Resources gas storage. We appreciate this, and we have no problem with KGS waiting to provide its opinion until after Mr. Alan Byrnes has had a chance to review the documentation and work.

Sincerely,

A handwritten signature in cursive script that reads "Michael H. Cochran".

Michael H. Cochran
Chief, Environmental Geology
Industrial Programs Section
Bureau of Water
